## Meet Cessna 208B Grand Caravan EX

This single-engine propeller aircraft offers reliable performance, comfortable seating for up to 12 passengers, and a generous baggage allowance of 7 kg per person, making it the ideal choice for domestic travel across the island nation. Primarily serving domestic routes, it seamlessly connects urban centers with remote destinations, embodying the spirit of accessibility and convenience in Sri Lankan aviation. With every flight, the Grand Caravan EX continues to uphold its reputation for reliability, bridging communities and fostering connections across the country.
